PROPERTY DESCRIPTION

To experience resort living right in your own back yard, settle in to this stunning 1 acre-colonial. The breezy wrap around country front porch & oversized covered deck overlook the picturesque and wooded lot that backs right up to the Red River Fork. Follow a path through the trees for hiking, canoeing, and kayaking in your own back yard, or escape to the deck for entertaining, bird-watching, or just watching the creek stream by. The fence around the yard won't obstruct the gorgeous view, which you'll enjoy from 5 rooms with tall, amazing windows. This upgraded kitchen is a cook's dream with deep sinks and a high arch faucet, new stainless steel appliances, granite counter tops, and amazing views from the bay windows. The dining area, great room, and den all feature hardwood floors. The great room features a gas fireplace, while the den could function as a separate formal dining room, large study, or media room. The three spacious bedrooms feature fantastic windows, and the master bedroom boasts his & her closets, tray ceiling, and a master bath w/ dual sinks. The two car basement garage has tons of storage that extends completely around, custom shelving, and a storm shelter.
