PROPERTY DESCRIPTION

Built in 2007, this beautiful ranch has barely been lived in. Thanks to the popular open floor plan and high vaulted ceilings, the rooms of this home feel extra large. With a separate formal dining room and a breakfast room off the kitchen, this home boasts two dining options. Elegant and easy-to-maintain hardwood floors are featured in the foyer, dining room, great room, hallway and master bedroom. The oversized master bedroom with tray ceiling and the luxurious master bath makes this a room you'll want to spend lots of time in. The separate bonus room has its own thermostat, which helps keep this room comfortable, while a radio/stereo with speaker system will allow you to enjoy music throughout the home. This home has several other eye-catching amenities and comes with a 1 year warranty. Call or email for a private showing!
