PROPERTY DESCRIPTION

If you're looking for a custom built home with an open floor plan and custom upgrades your search can end here. This home has hardwood in all bedrooms, the foyer, and the hallway. Crown molding accents almost every ceiling on the main floor. The great room is elegant and inviting and includes a custom designed mirror over the fireplace. The chef's kitchen has a long granite counter bar that's perfect for conversing with the chef as he cooks. Other kitchen amenities include the ceramic tiled floor with design details, double oven, convection oven, refrigerator, and all other appliances. The separate formal dining room has picture framed molding. The master bedroom has a deep tray ceiling accented with crown molding and a built in bookshelf, while the luxurious master bath includes a long jacuzzi tub and dual sinks. Other unique features includes a sun room with built in storage closet and a separate party room with skylights, lots of windows, and and 5 person hot tub.
